SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION

IN THE MATTER OF THE SEARCH OF
PRIORITY MAIL PACKAGE TRACKING
NUMBER 9505516227891242863751

Case No. **3:21MJ330**

Filed Under Seal

**AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT**

I, **Joseph Rossiter**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").

2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the

package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On September 1, 2021, I intercepted a package (hereinafter "the Package") at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail flat rate envelope, bearing tracking number 9505516227891242863751, postmarked August 30, 2021, with the following address information:

Sender: Patrick King
5222 countryside dr.
San diego, CA 92115

Addressee: Jonte Broski
3329 w. Second St.
Dayton, OH 45417

Through training and experience as a Postal Inspector, I know that Southern California is known drug source location.

4. I performed a check in CLEAR database for the addressee's information on the Package of "Jonte Broski 3329 w. Second St. Dayton, OH 45417." CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no "Jonte Broski" associated with 3329 W Second St, Dayton, OH 45417.

5. I also performed a check in CLEAR for the sender's information listed on the Package of "Patrick King 5222 countryside dr. San diego, CA 92115." According to CLEAR, there is no "Patrick King" associated with 5222 Countryside Dr, San Diego, CA 92115.

6. On September 1, 2021, at my request, Dayton Police Department Officer Randy Betsinger conducted a narcotics-detection canine "free air" check of the outside of the Package. I

was present during said check. The Package was placed in a controlled area and presented to narcotics-detection canine, "Hugo." As set forth in the attached affidavit of Officer Betsinger, "Hugo" alerted positively for the presence or odor of a narcotic or other controlled substance on the Package. "Hugo" is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no known association between the addressee and the recipient address, (ii) no known association between the sender and return address, and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds in the Package.

Therefore, a search warrant to open the Package is requested to search for evidence of drug trafficking activity, including Controlled Substances, materials and documents reflecting the distribution of controlled substances through the U.S. Mails, including money and/or monetary instruments paid for controlled substances.

Further, your affiant sayeth naught.

Respectfully submitted,

Joseph L. Rossiter
Postal Inspector

Which, based upon my training and experience and that of "HUGO", indicates there is contained within or upon the above described item, the presence or odor of a narcotic or other controlled substance.
